This workshop will help participants to understand the variety of accommodations, modifications, and specialized instruction defined in IEPs and 504s. Participants will leave with an understanding of the differences and be better prepared to differentiate instruction in their classrooms.

Workshop Goals:

- Participants will understand their responsibilities under IDEA and Section 504
- Participants will be able to differentiate the roles of general and special education administrators in Team process and the provision of accommodations / modifications
- Participants will understand the difference between modifications and accommodations as they relate to the IEP and services for students with disabilities
- Participants will explore strategies to address various high incidence disabilities in the general education classroom
